Back pain is very common and affects most people at some point in their life.→†Back problems/pain are a significant cause of disability and lost productivity.→†

According to the Global Burden of Disease estimates,→†low back pain is ranked first in Australasia, compared to sixth in the world. Back Bubble relieves your pain from the moment you use it!→†It uses air cushioned spinal decompression that's proven to relieve pain and pressure. The targeted support of the air cushion allows gravity to gently pull your lower body weight downward, relaxing the muscles and safely decompressing the spine, taking pressure off the discs and nerves so you're PAIN FREE.
